Re: Professional Rules of Conduct, Rule 8.4(g)

Honorable Members of the Court,

You have called for public comment of the proposed new Rule 8.4(g) of the Professional Rules of Conduct for Montana Attorneys. As a concerned citizen, I hereby submit my request that you reject this rule for the following reasons.

I feel very strongly against this change. Our country laws are based on God's wisdom and we must do our best to uphold His precepts. In addition to that I don't feel that the government should have the right to determine individual preferences whether liberal or conservative— would the next change be that the same happens to other professions? Where does it stop?

Signed,
