Re: Professional Rules of Conduct, Rule 8.4(g)

Honorable Members of the Court,

You have called for public comment of the proposed new Rule 8.4(g) of the Professional Rules of Conduct of MT Attorneys. As a (concerned citizen), I hereby submit my request that you reject this rule for the following reasons. Our freedoms: Which are being stripped away right now, just like you are trying to do now. You must ask yourself who in the MT Supreme Court are these people considering these rules: Obviously, these are people placed in high places who only want rules to go their way. Shame on these people, keep the playing field level for all, that's what your job is about, not this politically correctness. Get on with your job, you were put in position to do and not stir up unneeded conflict. There is enough conflict in this world without you adding to it.
