Case Number: AF 09-0688

Members of the Montana Supreme Court

I heard that a new rule is being proposed by the Court! This is "Rule 8:46" - As my understanding that if this rule goes into effect that Christian lawyers in our state could be dishonored. This is wrong!

I am 80 years old my next birthday and when I was 16 I was molested by Dornett Coors in Valley City, ND. This guy was the County Attorney - Needless I was intimidated by his position in the community as said nothing - My opinion of lawyers and our legal system has ^{gone} for less than it should be - Now with this proposed rule it is about to sink to even greater depths -

Our history as a Nation attests to the truths that go beyond what our courts have declared - It is going to be a terrible day when I and my professional colleagues and judges stand before God and explain their actions -
