Re: Professional Rules of Conduct, Rule 8.4(g)

Honorable Members of the Court,

You have called for public comment of the proposed new Rule 8.4(g) of the Professional Rules of Conduct for Montana Attorneys. As a concerned citizen, I hereby submit my request that you reject this rule for Reasons below.

This is a matter of free speech and freedom of religion. We cannot let a minority group undermine the traditional foundation and definition of families. Other forms of relationships are okay ---call them whatever is appropriate but please don't undermine the family. much like we cannot force our religion or beliefs upon other folks, similarly gays and same sex relationships should not discriminate against our beliefs and faith. We need some common sense here please.

Sincerely

Bill + Marie Phillips
