RE: professional rules of conduct, Rule 8.4(g)

Honorable Members of the Court;

you have called for public comment on the proposed new rule 8.4(g) of the Professional Rules of Conduct for Montana Attorneys. As a concerned citizen, I hereby submit my request that you reject this rule for the following reasons. I believe this is just one more small step of government overreach in trying to take God and Christianity out of the public sector. Furthermore, I think this rule would infringe on the religious freedom of the majority of hard-working, Christian Montana attorneys by taking away some of their fundamental 1st amendment (freedom of speech) rights. Thanks for your consideration.
