Re: LGBT people should have equal access and representation in the legal system in Montana
Montana Sup. Ct. Justices:

Dear Supreme Court Justices of Montana,

I believe LGBT people should have equal access and representation in the legal system in Montana.

I am writing in support of the proposed changes to rule 8.4 that would prohibit conduct that a lawyer knows or reasonably should know is harassment or discrimination on the basis of race, sex, religion, national origin, ethnicity, disability, age, sexual orientation, gender identity, marital status or socioeconomic status in conduct related to the practice of law. No one seeking legal services should be treated with bias and hostility simply because of who they are.

No one seeking legal services should be treated with bias and hostility simply because of who they are.

Please support the proposed changes to rule 8.4 that would protect LGBT people and members of other marginalized groups by barring legal services providers from discriminating against them.

Sincerely,

Amy Dockrey

Montana Sup. Ct. Justices:

Dear Supreme Court Justices of Montana,

I believe LGBT people should have equal access and representation in the legal system in Montana, as I am 83, a voter, and fully support my openly gay daughter.
