David W. Nelson

Appellant

v.

State OF Montana

Appellee

Motion For Second

Extension OF Time

To File Opening Brief

Can I please have an additional extension of time to file my opening brief? The original due date was March 1st, 2019. I was granted an extension making the due date April 1st, 2019. My reasons for requesting a second extension of time are; the time I am allowed access to legal library is severely limited. Due to only getting approximately 1 hour per week total time for legal library and filing pro se with no legal assistance along with my lack of legal knowledge, it is taking me longer to complete the brief. Thank you for your consideration in allowing an additional 30 days.
