ERRATA

Please be advised that an error appeared in Intervenor's brief that was filed on August 23, 2019. On page i, in the table of contents, and on page 6, in the argument heading, the brief states that "Nunez has failed to address, much less overcome, the presumption that the statute is unconstitutional." The brief should have read: "Nunez has failed to address, much less overcome, the presumption that the statute is constitutional." The State regrets any inconvenience this mistake may have caused the Court or counsel.

Respectfully submitted this 26th day of August 2019.
