an extremely busy docket and other requests for appeals pending to transcribe and edit.

3. My decision to move to Iowa was primarily to help care for my mother who is in declining health. I have to travel frequently on weekends to help attend to her needs. We will be moving her this week to a nursing facility in the city I am now living in, and I will be assisting in getting her accustomed to her new surroundings.

Due to the foregoing reasons, I will not be able to complete the above-entitled Transcript on Appeal within the time required without an extension of time; and therefore, I request an extension of time in order to complete this transcript and request up to and including January 4, 2022, within which to prepare and file the appeal in the above-entitled case.

DATED this 12th day of October, 2021.

Angela Nurre
Official Court Stenographer

SUBSCRIBED and SWORN to before me this 27th day of October 2021.
