Defendant and Appellant.)	

AFFIDAVIT

STATE OF MONTANA)
) ss.
County of Glacier)

KELSEY MCALPINE, being first duly sworn, deposes and says:

1. That she is the Official Electronic Court Reporter for the Ninth Judicial District.
2. That she is preparing transcripts on appeal in the above matter but will not be able to complete said transcripts by the date of May 16th, 2022, due to our busy court calendars, traveling to 4 counties for hearings and trials, an increase of jury trials that were delayed from COVID, and an increase in transcript requests.

Also, due to freezing pipes, cracked radiators, and no heat in the Glacier County Courthouse, I haven't had an office to work out of since mid-December 2021. I have been spending an extra hour a day driving to Shelby and back, so I have an office to work in.
3. The affiant needs an additional 50 days from May 16, 2022 in which to complete these transcripts.

4. That affiant, accordingly, requests that she be given up to and including July 5, 2022 in which to complete the transcripts herein.

DATED this 11th day of May, 2022.
