CLERK OF THE SUPREME COURT
STATE OF MONTANA

Case Number: DA 19-0471

4-22-19

Brian Lowmy

You just Sent Me a Subpoena in the State - VS - Hardy No. DC-17-481. I Can't believe You got the nerve to Subpoena Me. First of all I was high on Meth back then & Can't recall much, but, You folks offered to drop My felonies if I made a Statement. Then Once I was Sentenced the deal was if I testify true or false You would make it to where I didn't have to do the rest of My Sentence. You didn't Care whether I Spoke true or false. You got no case on this guy & You really got the balls to think You gonna use Me? Let's talk about Anton Orth... Your jail house Snitch that You gave a lighter Sentence to so that he would lie for You, and lie to You he did! On two occasions I personally caught Orth going through Hardy's legal papers so that he could run to You & act like Hardy told Him all the details in person. Orth played You folks! 2nd. I was there & heard & seen the Plea deal that was offered to Orth for 2 Counts of Child endangerment. It was something like 10 years MSP with a couple suspended, the State took his 2 boys & he had no contact with them. He was in a panic cause he was about to lose his parental rights. I was there & seen this with My own eyes. Then He starts talking to Your detectives telling them what They want to hear! All based on

What he read. Then as if magic takes place all of a sudden He gets to Call his Kids Once a Week. This Man Orth goes from 10 years M.S.P. to ISP probation He gets his Kids back & the State helps him get a place & get on his feet! This is fact! Orth has What? 7 prior felony Convictions! You do know that at the time there was Meth in the County jail & everyone was Using it? I personally watched Orth use it. How the hell can You lie & Say Orth was not promised a Special deal for his lies!? I'm in Prison & I don't give a farts ass about a Contempt Charge. I promise You this.... Call Me to that trial & as soon as I walk through them doors I'm going to look at that jury & ~~in~~ in a very loud voice, I'm going to let Them know that Orth is a liar was a "high" liar- who got his freedom & Kids back for his lies & how You are aware of it! I'm also gonna let Them know how You folks offered Me freedom for My testimony. All this will take place

before I ever get to the witness box!
Then I'm gonna remain silent without
a attorney & then I plead the 5th.
& I will be honest when I let
that jury know that this is all true
& that I don't recall much of anything
else cause I was very high on "meth"
so high that I couldn't tell the difference
between what was real & what was not!
If telling this truth causes me a
Contempt Charge, so be it! You Crook's
ain't getting away with this. By the
way please make sure the defense attor-
ney, MR. Cotter gets a copy of this, we
don't want a Brady Violation! While I'm
sitting in that jail don't send no one
to see me without a attorney present.

Sincerely,
John Braunreiter
