KALISPELL REGIONAL MEDICAL
CENTER, INC.,

Defendants and Appellees.

**APPELLANT'S MOTION
TO EXTEND THE TIME
FOR SUBMISSION OF
RECORD ON APPEAL**

Appellant moves to extend the time for submitting the record on appeal and

respectfully shows:

1. On March 10, 2022, Appellant timely asked the court reporter to prepare the trial transcript.
2. Under the rules, the transcript was due to be completed on April 19, 2022.
3. The reporter promptly began preparing the transcript.
4. The court reporter's in-court time has been exceptionally busy since she began work on the trial transcript.
5. On April 11, 2022, the court reporter asked for an extension of time to submit the transcript.
6. The Court entered an Order on April 13, 2022, granting an additional 50 days in which to file the transcript.
7. After the transcript was requested, the court reporter has experienced a family issue that has required her time and attention.
8. The reporter has completed approximately 75% of the transcript for seven trial days and continues to work on the transcript.
9. As shown in the court reporter's affidavit, she respectfully asks the Court to grant an extension of an additional 50 days, from the current deadline of June 8, 2022. The new deadline for filing the transcript would be July 28, 2022.
10. Defendants do not object to the requested extension.

DATED this 1st day of June, 2022.
