Respondent and Appellant.)	

Appellant moves the Court to extend the time for serving his response to Respondent's Motion to Dismiss to July 19, 2022, which is 8 days after the brief was originally due July 11, 2022. This motion is made for the reason that counsel for appellant has been unable to complete the brief of appellant during the normal 30-day period due to having been on vacation this past week. Rule 26(1) of the Montana Rules of Appellate Procedure authorizes such an extension. Counsel for

respondent, Daniel Jones, has indicated he has no objection.

DATED this 10th day of July, 2022.
