TIME: FOR A

PETITION FOR

REHEARING IN

OP. 22-0415

SHANE PHILIP NICHOLSON

PETITIONER,

JIM SALMONSEN, WARDEN,

MONTANA STATE PRISON

RESPONDENT.

GOOD CAUSE SHOWN

- 8-10-22 COURT ORDER

Comes Now, Shane Philip Nicholson a pro-se
litigant, incarcerated at Montana State Prison
seeks an extension of time to gather exhibits
in support for a petition for rehearing. The Court
overlooked several issues including the prior
criminal history argument, I have to prove
the alleged assault charges pending in Fcdc
were vacated prior and post 2-4-2010

sentencing, and the enhancement is facially
invalid and could not be litigated on appeal,
Also seeking assistance with the D.O.C and
Mst staff over all these issues, to prepare
a proper petition for rehearing. dated 9-25-22
CONCLUSION

I Shane Nicholson believe I demonstrated

good cause for a extension of time

until Sept, 25, 2022 and thank the

Court for patience
