Appellant, Centron Services, Inc., dbd Credit Systems moves the Court to extend its briefing deadline in this matter by 15 days. M.R. App. Proc. 26(1). Currently Appellant's opening brief was first due August 8, 2022 and after the first extension is due September 8, 2022. Appellant requests a 15 day extension so that Appellant's briefing would be due on September 23, 2022. Counsel does not have a telephone number for the Appellee so I sent her an email and have not gotten back a response.

Counsel understands this is a second request, however, Counsel was required to be out of

state for approximately 10 days and as a result would like a few more days to insure that the brief is completed correctly before submitting it. Counsel believes the brief is complete, but needs additional time to review it, gather the exhibits, do the Certificate of Compliance and get it bound for filing.

DATED this 8th day of September, 2022.
