- 6) **Reasons for Sentence.** In determining the sentence, the Court has been guided by the sentencing policy of the State of Montana described at § 46-18-101, MCA. The policy provides that in fashioning a sentence a court is to impose a punishment commensurate

with the nature and degree of harm caused by the offense and to hold an offender accountable; to protect the public, reduce crime, and increase the public sense of safety by incarcerating violent offenders and serious repeat offenders; to provide restitution, reparation, and restoration to the victim of the offense; and to encourage and provide opportunities for the offender's self-improvement to provide rehabilitation and reintegration of offenders back into the community. In keeping with this policy the Court finds the following:

- The sentence is both consistent with the parties' plea agreement and commensurate with the punishment imposed on other persons committing the same or similar offense conduct.
- The sentence is consistent with the recommendation of Adult Probation and Parole.
- The sentence takes into account the impact of Defendant's offense conduct upon the victim(s).
- The sentence provides punishment commensurate with the seriousness of the offense conduct.
- The sentence serves to increase public safety and protect the public by imposing incarceration for Defendant's violent offense conduct and/or Defendant's serious and repeated criminal conduct.
- If applicable, the sentence provides for restitution, reparation, and restoration to the victim of Defendant's offense conduct.
- The sentence encourages and provides opportunities for Defendant's self-improvement and provides for Defendant's rehabilitation and reintegration back into the community.
- The Court finds the following, additional factors in mitigation or aggravation of sentence: **Use of Firearm in the commission of a Robbery.**

- 7) **Bail.** Any bond or bail posted is exonerated.
- 8) **Objection(s) to Written Judgment.** If either party believes this written judgment does not conform to the oral pronouncement of sentence made in open court, the party must file a written request to modify this judgment within 120 days after it has been filed.
