State of Montana

ORDER

Appellant Jeremy Look has filed a Petition for Review in the captioned matter. Counsel for Appellees has responded objecting to the petition and requesting attorney's fees.

This Court will consider a petition for rehearing presented only upon the following grounds:

- (i) That it overlooked some fact material to the decision;
- (ii) That it overlooked some question presented by counsel that would have proven decisive to the case; or
- (iii) That its decision conflicts with a statute or controlling decision not addressed by the supreme court.

M. R. App. P. 20(1)(a).

This case was decided by unpublished opinion, pursuant to the Internal Operating Rules of this Court. Unpublished opinions are per se summary actions and generally unanimous dispositions following the Court's consideration of an appeal. They do not necessarily contain a detailed analysis of all the issues raised on appeal; however, that does not mean that the Court overlooked a particular argument or issue raised by a party.

The Court having duly considered the petition and the response,

IT IS ORDERED that the petition for rehearing is DENIED.

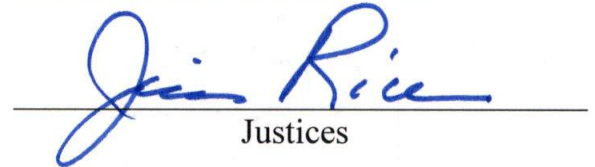

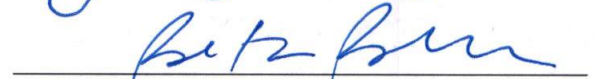

IT IS FURTHER ORDERED that Appellees' request to for attorney's fees is DENIED.

The Clerk is directed to provide a copy of this Order to Jeremy Look and to all counsel of record.

DATED this 21st day of November, 2023.
