COMES NOW Jonathan Whyte, by and through his attorney, David W. Diacon of Hrafn Law P.C., and hereby moves for leave to amend his response filed on November 21, 2023. Jonathan's attorney enquired by voicemail and email whether the attorneys for Petitioner object to this motion but at the time of this filing, responses had not been received.

Whyte filed his initial response while appearing pro se and his response does not appropriately "summarize the arguments and authorities for rejecting jurisdiction." Mont. R. App. P. 14(7)(a). Whyte was able to engage his current counsel on November 23, 2023.

Whyte had sought and was granted an extension of time until November 30, 2023, to file a response. Order, Nov. 20, 2023. He now requests the remaining time granted by that order to amend his response to include an appropriate response that meets the criteria required by Montana Rule of Appellate Procedure 14(7)(a).

Dated this 24th day of November, 2023.
