

Supreme Court Cause No. OP-24-0087

Attorney for Petitioner

CLARK RYAN RAMSEY,
Petitioner,

v.

YELLOWSTONE COUNTY JUSTICE.
COURT, THE HONORABLE J. COLLEEN
HERRINGTON, PRESIDENING,

Respondent.

NOTICE OF TRANSCRIPT

NOTICE OF ADDITIONAL FACTS

COMES NOW Clark R. Ramsey, by and through counsel of record Joel M. Thompson, and provides this Court notice of the transcript of the hearing that occurred before the Respondent in this matter on February 9, 2024. Upon review of this transcript, this Court will discover that Respondent reversed its ruling on the Motion to Disqualify. Disturbingly, the Respondent also admitted within this transcript that it denied the Motion to Dismiss without doing its due diligence to review the pleadings. It is unknown what the Respondent did or did not review, but what is clear is that the Respondent could not have been unaware of the State's deficient affidavit if it had actually read Mr. Ramsey's motion to dismiss which contained the section on the deficient affidavit.

DATED this 13th day of February 2024.
