I believe the Parole Board should have granted me a parole AND the Board violated my Due Process rights.
I am being held in jail and I believe my bail is excessive.
I believe I am entitled to more credit for jail time than I received.
1 believe my sentence is illegal because:
I was sentenced after April 28, 1999, and I received a sentence of more than 5 years that was not suspended to the Department of Corrections.
The court's sentence violated double jeopardy.
The length of my sentence is longer than the law allows.
Other reason I am being held illegally and the Court should grant my immediate or sooner release.
Use the next pages to tell the Court the facts and circumstances about the reason you believe you are entitled to immediate or sooner release. Be specific. Attach any documents that help make your case. Oct. 16th, 7022 My parolewas revoked for wideling the conditions of parole in docket # 10-15-01010. As a conditions of parole in docket # 10-15-01010.
