Randy Teets
NAME

PETITIONER,

v.

**Petition for Writ of
Habeas Corpus**

Captain Jason Kowalski
NAME OF WARDEN/FACILITY ADMINISTRATOR,

RESPONDENT.

I, Randy Teets, am representing myself, and I
[Name of Inmate]
believe that I am entitled to a Writ of Habeas Corpus under § 46-22-101, MCA, for one
or more of the following reasons:

[Check the applicable box]:

The Department of Corrections has incorrectly calculated my sentence which
illegally extends my parole eligibility or discharge date.

The Parole Board should have granted me a parole AND the Board violated my
Due Process rights in denying me a parole.

I am entitled to more credit for jail time served than I received.

My sentence is illegal because:

I was sentenced after April 28, 1999, and I received a sentence of more than 5 years to the Department of Corrections, none of which was suspended.

My sentence violates my right to be free from double jeopardy.

The length of my sentence is longer than the law allows.

I am entitled to good time that is not credited against my sentence.

I am being held in jail and I believe my bail is excessive.

Other reason incarceration is illegal.

Describe in detail why you are entitled to habeas corpus relief. Be specific. If possible, provide citations to legal authority. Attach any documents that help you explain why the Court should grant your petition. A copy of any judgments, orders or other documents that support your argument must be provided.

After firing three attorneys two of which are Hailey Forcella and Justin Redeem and specifically having my conflict attorney quit Cierra Anderson the day of trial, see attached affidavit.

And specifically not honoring my due process rights as my individual.

7/13/2024 The Year of Our Lord

Military Law goes against what occurred at trial and should be recognized before sentencing. Therefore this is a matter of habeas corpus. Military Law supersedes State Law and is what is my right I should be judged by in legal scope and honored because my father [served] 52 years as an officer, [flew] 61 years for the FAA as a linear pilot, [And worked for the Federal Government] 28 years on National Defense on the National Flight List.

Father's information: Donald Earle Teets

Date of birth 6/22/1939

Deceased 9/?/2019 - at our home

1955-2007 82nd Airborne Lieutenant

1958-2019 Federal Aviation Administration Pilot

1977-2005 National Flight List member

Military Law should be very specific in what Assault With A Weapon has to go by guidelines and what it has to go by in abiding in: and definitely for a defendant who meets this criteria who has a prior conviction for Manslaughter. It should be very specific about that.

The basics opinion perjury not being enough to
Carben Conv

lawfully put me in prison. Shown over and over again.

Noteworthy material specifically having to do directly with this:

1, OP 23-0591 habeas corpus stating malicious prosecution, when my legal efforts are not being honored in a clear cordial way.

2, Prosecutor Matthew Jennings talking about unwritten codes prosecuting directing the jury in trial.

3, Testimony from victims on stand clearly not matching their police body cams testimony the day of incident.

4, Including police body cam footage of me in the back of the police car that was chopped and edited for the appearance of me to be guilty. Along with [all] other video or body camera footage chopped and edited many times over! At trial.

5, Including attorneys Hailey Forcella and Justin Redeen not putting up any true basic intelligent defense efforts on an easy criminal case. [None] of my attorneys worked with me closely, not even in the slightest?

Cordially, here's your affidavit.

As relief, I request the following:

- my immediate release from prison.
- reduction of my sentence or that this Court remand this cause to the district court directing the court to resentence me to a lesser sentence.
- that the Department of Corrections recalculate my sentence as this Court directs.
- Other relief. Explain:
