IN THE SUPREME COURT OF THE STATE OF MONTANA

Christopher Brian Crosby,
Petitioner,

v.

State of Montana
Respondent.

Cause No.

Writ of Supervisory Control

Here comes Petitioner Christopher Crosby, hereby request that this court steps in and grants this writ of Supervisory control in DC 24-142

Supervisory control is an extraordinary remedy that is sometimes justified when urgency or emergency factors make the normal appeal process inadequate, the case involves purely legal questions, and the other court is proceeding under a mistake of law causing a gross injustice or Const. issues of state wide importance are involved. Mont R. App R.14
see:

St v. Downer 191 Mont. 253, 623 P.2d 953

Cushman v. Mont. Twentieth Judicial Dist. Court 360 P.3d at 493

The current presiding Judge Parody has ignored pro se motions regarding ineffective counsel, Brady violations. Both original court appointed counsel Meghan Bailey and current court appointed counsel Tyler Dugger have both failed to provide petitioner with his discovery,

Pro se motions are the only available method of protecting defendants constitutional rights. See *State v. Harvey*, 219 Mont 402, 409, 713 P.2d 517, 522

Petitioner recently obtained an evaluation report that stated: Petitioner suffers from; Autism, Social Anxiety Disorder and Bipolar. The report also stated due to mental health issues, Petitioner is easily ~~incited, reduced, manipulated~~, which gives the chance for entrapment a possibility. This case involves a fictitious victim, evolving a sting operation. The petitioner has repeatedly requested for a hearing to discuss this, however Judge Parody, District Attorney and Counsel have failed to do this simple thing.

In fact, the last hearing was 4 months ago, with no scheduled upcoming hearing or scheduled trial date and no meaningful contact from court appointed counsel

This Petitioner is in the dark and request this Court to grant this writ and require dismissal, so that I may admit myself to a mental health treatment center to be given proper medication that I require, that this current facility is unable to provide

Respectfully
