Appellant moves the Court for an extension of time to transmit the record to allow the court reporter to prepare and file a transcript of the trial below. This motion is made for the reason that the district court ruled on March 18, 2025, that appellant must order and pay for the transcript of the entire trial in this case. Undersigned counsel ordered said transcript the same day. On or about April 17, 2025, the court reporter who reported the trial determined she is too busy to prepare a transcript and asked Rachel Parra, official court reporter in Flathead County, to prepare and file the transcript. According to her affidavit filed herewith, Ms. Parra is also very busy reporting for five district judges and needs 60 days, or until June 27, 2025, to prepare and file the transcript in this case. Undersigned counsel has contacted counsel for the appellees, and this motion is uncontested.

DATED this 28th day of April, 2025.
