CAUSE # BA-25-0083

JESSICA ZIMMERMAN

Petitioner / Appellee

v

CHRISTOPHER WARDLE

Respondent / Appellant

Pro Se

MOTION FOR EXTENSION

OF TIME

Respondent / Appellant Christopher Wardle respectfully asks the Supreme Court to allow an extension of time as detailed below.

I move the court for 30 days of additional time to file an opening brief.

The reason being is that a mailed communication sent by the Clerk of The Supreme Court's office in February arrived back at the Clerk's office yesterday, May 8, 2025. This information came by email and phone call from Tony Urso of the Clerk's office. It included a seemingly

undeliverable mail package sent back to Appellant Wardle which included a brief that was provided to the Court too early and which needed to be submitted at a later date.

I have contacted Appelle by US Postal Service and am restricted to phone or other communication contact by way of the Protective Order which is being appealed.

Dated this 9th day of May, 2025.

A handwritten signature in cursive script, appearing to read 'C. Wardle', is written over a horizontal line.
