**RE: Certification for Admission to the State Bar of Montana**

Dear Jaime:

The primary purposes of character and fitness screening before admission to the Bar of Montana are to assure the protection of the public and safeguard the justice system. Upon thorough review of your application and background investigation, the Montana Commission on Character and Fitness finds that you have produced satisfactory evidence that you can fulfill these requirements. You are therefore certified for admission to the Montana Bar pending completion of all eligibility requirements. My records indicate that you have submitted qualifying UBE and MPRE scores and have attended the Montana Law Seminar. Upon payment of the license tax and dues, you will have fulfilled all requirements for admission to the State Bar of Montana.

The State Bar of Montana collects your dues; the Supreme Court of Montana collects the annual license taxes. Therefore, please submit the applicable \$25 license tax payment in conjunction with your motion for admission to the Supreme Court, as instructed in the email this letter was attached to. Attached is the Member Enrollment Form for the State Bar of Montana:
