Re: Introducing Keif Storrar under the Montana Student Practice Rule

May It Please the Court:

It is my pleasure to introduce Keif Storrar to the Court under the Montana Student Practice Rule. Keif is a University of Montana student and is working with the Attorney General's office this summer as a legal intern.

As a part of his experience here, Keif will be researching and writing an appellee's brief in State v. Michael Earl Moore, No. DA 11-0550. I will be supervising Keif's work and will remain responsible for the work he does in that case.

In order to ensure compliance with the Montana Student Practice Rule, please find enclosed Dean Irma Russell's certification that Keif is enrolled at the University of Montana School of Law, has completed the required legal studies, and is of good character and competent legal ability. See Mont. Student Practice R. III(A)-(C). In addition, please find enclosed Keif's own certification that Keif has read, is familiar with, and will abide by the Montana Rules of Professional Conduct. See Mont. Student Practice R. III(D).

With that, I submit to you Keif is eligible for student practice in the Montana Supreme Court under my supervision and is in total compliance with the requirements and conditions of this Court's Student Practice Rule. Should you require any additional information, please contact me.

Thank you. Keif and the Attorney General's Office appreciate the availability of this educational opportunity for future members of the bar.

Sincerely,

A handwritten signature in black ink, reading "Tammy Hinderman".
