RE: Certification for Admission to the State Bar of Montana

Dear Kyle:

The primary purpose of character and fitness screening prior to admission to the State Bar of Montana is to assure the protection of the public and safeguard the justice system. Upon thorough review of your application and background investigation, the Montana Commission on Character and Fitness finds that you have produced satisfactory evidence that you can fulfill these requirements. You are therefore certified for admission to the Montana Bar, pending completion of all eligibility requirements.

My records indicate that you have submitted a qualifying UBE score, MPRE score, and have attended the Montana Law Seminar. Upon payment of the license tax and dues, you will have fulfilled all requirements for admission to the State Bar of Montana. Therefore, be certain to complete the instructions provided on the Motion for Admission Procedure provided to you with this Certification Letter.

Congratulations! We wish you the greatest success in your career as a Montana attorney.

Sincerely,

Melissa Dyess Hartze  
Bar Admissions Assistant
