

IN THE SUPREME COURT OF THE STATE OF MONTANA

DA 25-0342

STATE OF MONTANA,

Plaintiff and Appellee,

v.

O R D E R

BUCKLEYCOLE RANDALL ACKERMAN,

Defendant and Appellant.

Appellant Buckleycole Randall Ackerman has filed a “Motion Retrieving Court Transcripts from the Missoula County District Court,” asking the Court to direct the Missoula County District Court to provide him with transcripts from his May 6, 2025 sentencing hearing. Appellant represents that if a response is filed in opposition to the motion he will request a contested hearing, and if not, he will request an uncontested hearing. No response was filed.

The Court notes that this appeal is fully briefed and has been sent up to the Court for consideration on a future agenda. Appellant does not need the transcripts or any further documents for this appeal. Furthermore, this Court is an appeals court and does not hold hearings as a regular course of business. Therefore,

IT IS HEREBY ORDERED that Appellant’s motion for transcripts is DENIED.

The Clerk is directed to provide a copy of this Order to Appellant and all counsel of record.
